Deer Springs Fire Safe Council
Emergency Communication System
(E C S)

The Deer Springs Fire Safe Council has established an Emergency Communication System that can provide registered residents with timely information via telephone in the event of an emergency situation that threatens our fire district. Additionally, email messages can be used to provide advance warning of potential dangers, especially critical fire weather events. The telephone messages will be informational only. Evacuation orders will come only from the Sherriff's Office or other public safety office. The Council respects your privacy. Your personal information will not be shared with anyone.

► Please register the following phone numbers (maximum 4 numbers) to receive automated messages during an emergency. Include area code if not 760. Out of the area contacts are permitted.

_____#1 _____#3

_____#2 _____#4

► Receive *Fire Safety Alerts* and *Fire Safety News* in your inbox. Please enter up to two email addresses below to receive these important ad-free communications from Deer Springs Fire Safe Council.

1)_____ 2) _____

► Check your closest neighborhood: ( ) Castle Creek/West Lilac/Old Castle ( ) Champagne Village

( ) Deer Springs ( ) Hidden Meadows/Rimrock ( ) Jesmond Dene/North Broadway

► I understand that this Emergency Communication System is a supplemental messaging system and is dependent upon telephone network reliability and volunteer personnel availability. By signing below, I agree to indemnify and hold the Deer Springs Fire Safe Council including its volunteers and Board Members, the Deer Springs Fire Protection District and CAL FIRE harmless for any injuries or damages resulting from the delivery or non-delivery of an ECS emergency message.

Be sure to sign this form and mail to:
